Letter of Recommendation for Collin Barnes:

It is with great pleasure that I write this letter of recommendation for Collin Barnes. Collin was a student teacher in my U.S. History classes this spring 2010 at Lockport Township High School in Lockport, Illinois. In addition to the four U.S. History classes he taught, he also was responsible for monitoring a study hall and supervising the hallways and washrooms between class periods. Collin has the energy and enthusiasm necessary for teaching that will make him an asset to any staff.

Mr. Barnes is highly organized and plans instructional lessons that are creative, appropriate, and effective. This is evident in his ability to successfully manage the many different levels of academic ability present in a heterogeneous classroom setting. The environment Collin creates is positive and friendly which makes learning in the classroom an enjoyable experience.

Collin worked well with the faculty and staff at Lockport Township High School. He attended curriculum night, staff meetings, department meetings, and participated in parent/teacher conferences. Collin was always punctual throughout his student teaching assignment.

Throughout his student teaching experience, Collin has proven himself to be a dedicated and talented teacher. Mr. Collin Barnes has my highest recommendation, and I am confident he will be an outstanding educator. I would be happy to provide any additional information needed for a specific position.

Sincerely,

A handwritten signature in blue ink that reads "Thomas A. Burnett".
