

**Standard 2**

*Demonstrates competence in content knowledge appropriate to the teaching position.*

I took many classes in education, English, and history while completing my degree. I also obtained my Master's Degree in Education with a concentration in English Language Learners. During these classes, I was required to demonstrate my competence. As you can see in this artifact (my Master's Degree transcripts), I excelled in my classes and showed countless times that I am a competent teacher.
